1. A school for workers on the Danube-Black Sea Canal, directed by Ioan Badulescu, has been established in Constanta. A four page newspaper, known as Canalul, at Strada Jupiter 2, is published in Constanta, especially for workers on this project. The paper, which is in its second publishing year, costs three lei an issue.
2. Special privileges are accorded all voluntary canal workers and for this reason many Constanta longshoremen have quit their old jobs to work on the canal.
